

Juniata County School District/ Home & School organizations support Texas Schools Impacted by Hurricane Harvey

Juniata County is uniting to aid those in need. We are joining Lancaster County Career & Technology along with Huntington County School District's efforts to fill a tractor-trailer full of supplies for Texas communities hit by Hurricane Harvey. Many of the schools have been impacted by the storm and Juniata County will focus on supporting those schools.

Collection drop off locations: Any Juniata County school during school hours

Who we are supporting:

Cleveland High School located in Cleveland, TX

Lemme Elementary located in Spring, TX

Items needed: See attached list

When: September 1st through September 11, 2017.

Trucking provided by: Lancaster County Career & Technology

Our goal is to FILL a tractor-trailer with items needed by the schools and community. We have an expense of \$2500.00 for trucking and we will seek assistance to help cover the cost. We are focusing on school supplies that are greatly needed. Huntington County is focusing on other items of need.

Lemm Elementary sustained flood waters that will require major restoration of that facility. The district has made arrangements to house Lemm Elementary in a wing at Klein Cain High School for the foreseeable future. In order to make this a successful transition, we need the help of our amazing and supportive community. We are asking for donations of the following new items:

Primary Classrooms

Yoga balls, comfy flexible seating,
Small dry erase boards
