

PARENTING IS HARD!

But, you don't have to do it alone.

COME JOIN US!

If you're raising a child/youth/young adult with behavioral or medical health challenges, come meet other parents and caregivers who understand the struggles and victories of raising exceptional and challenging children.

The Juniata County School District now offers a support group for parents of children with special needs -- behavioral, emotional, developmental or physical -- in the hopes of making parents feel less alone by providing a place to explore resources and find support.

**The next meeting will be held Thursday, March 28, 2019
at 7:00 p.m. in the district's administrative office meeting room
(lower level), 146 Weatherby Way, Mifflintown.**
