

Local Task Force Website

<https://www.tiu11.org/special-education/>

- Membership consists primarily of parents supporting one another through the special education maze. Intermediate Unit, local MH/ID office and school district/charter school representation is also common at the local task force meetings.
- The purpose of the meetings is to educate, network, communicate, and support one another.
- If you are Interested in participating in the Local Task Force or learning more, please contact the Tuscarora Intermediate Unit 11 Special Education Department at 814-542-2501

Mission:

The local task force is a parent/family network group for families that have a child with a disability.

The Local Task Force on the Right To Education
